

## **Questions and Answers, Part 2 – Well Services Master Contract 2016**

**Date:** February 19, 2016

**County:** Statewide

**Project Description:** Provide well services to include, but not limited to, the installation and/or decommissioning of water wells, groundwater monitoring wells, and boreholes - Statewide.

**Dates Published in Clarion Ledger:** February 10th and 17th, 2016

**From:** Scot Ehgott, P.E. – MDOT Director of Consultant Services

**Question #1:** Is it required to propose on all services listed in the RFI or can the proposal be limited to certain services?

**Answer:** It is not required to propose on all services; however, the evaluation for the proposing team will be based on all services listed in the RFI as a whole.

**Question #2:** Who are the firms currently on this Master Contract?

**Answer:** Griner Drilling Service, Inc.  
Neel-Schaffer, Inc.  
Terracon Consultants, Inc.  
Walker-Hill Environmental, Inc.

**Question #3:** What have been the expenditures on these services under the current Master Contract?

**Answer:** We have executed approximately \$30,000 in contracts utilizing the current Master contracts for these services.

**Question #4:** Will MDOT consider selecting firms with a drilling license restricted to environmental/monitor wells?

**Answer:** Firms will be evaluated based on the criteria established in the RFI.

**Question #5:** Are groundwater sampling services and/or groundwater consulting services a part of this Master Contract?

**Answer:** No.
